👤 PROFILE

I am a highly motivated and forward-thinking Full Stack Web Developer who thrives on pushing boundaries and finding innovative solutions. My true passion lies in designing and developing web applications that not only look visually appealing but also provide an exceptional user experience. With a deep understanding of both front-end and back-end development, I am dedicated to delivering top-notch solutions that cater to the specific requirements of clients and end-users.

💼 PROFESSIONAL EXPERIENCE

PHSPS, Front End Developer 🔗

August 2021 – present | Lagos, Nigeria

In my role as a Front-End Developer at PHSPS, I was instrumental in creating engaging and user-focused web experiences. I was responsible for designing, developing, and improving front-end elements to ensure smooth user interactions and high-quality visuals.

STGEI International, JavaScript Instructor 🔗

May 2020 – February 2023 | Lagos, Nigeria

I've taught javascript to a number of students who began as complete beginners and are now capable of developing apps and earning money as javascript developers.

📁 PROJECTS

Artchain 🔗

Artchain is a digital marketplace that links creative creators and aims to provide a platform for their work to be displayed. It enables users to buy, sell, and find one-of-a-kind crypto collectibles and NFTs.

Goodness Medicals 🔗

Goodness Medicals is a health clinic that provide clients with access to the latest technology and facilities with a compassionate, patient-centered care approach.

Cornerstone Medicals 🔗

Cornerstone is aimed at providing accurate and timely medical diagnostic results, employing the latest technology with our modern equipment, combined with having the finest scientists.
